

We Bleed MAROON

We would like to announce to Aggie Mom District Three,
That the Spring Federation Meeting is the place to be.

Panola County is the proud home of The Texas Country Music Hall of Fame.
Whether you like country music or not, you're an Aggie supporter all the same.

Help us pay tribute to one of our favorite country tunes.
We are sure you all know "We Bleed Maroon."

We have planned activities to honor the Aggie traditions,
That Granger Smith so eloquently mentions.

The Panola County ladies want you to celebrate the New Year,
So we came up with something to bring you extra cheer.

The district meeting food, fellowship and fun will be free,
To all of the ladies from Aggie Mom District Three.

Hurry Aggie moms, there's no time to delay,
January 23rd is only two weeks away!

The more the merrier so come join the fun.
Get your club together - bring everyone!
