CLUB PRESIDENTS-Read Carefully

Please complete the REGISTRATION FORM that follows and return it by Monday, August 13, so that all workshops can be scheduled into the appropriate rooms. You can mail or email the workshop form. Please include the positions and number of attendees from your club. Your email will be confirmed.

ANY club member may attend the workshops. Being a club officer is **not** a requirement. We do encourage all club officers to attend. If you are interested, we look forward to your attendance! Try to have a representative at each workshop!

The Workshop Leaders will be sharing from their own experience and some will have experts in specific subject areas. The BEST part is the sharing of ideas with each other, so please bring information you would like to share or discuss.

We are offering two sessions for most workshops due to demand. Please be sure to sign up for two different workshops and take more information back to your club.

You may bring a beverage, snack or sack lunch to the workshops. We will not be finished with the last session until 1:30.

All workshops will be held in the Rudder Tower. Room assignments will be provided at the Fall Business meeting on Saturday, August 26, 2018.

All materials for the workshops **except** the ***President's Packet** will be available on the Federation website, www.aggie moms.org prior to the meeting. **We ask that all attendees print the materials for each session prior to going to College Station. The Club President might consider printing all of the materials and giving them to the moms who will be attending each session for your club.

***The President's Packet for each club should be picked up at the Registration table during check-in. Packets that are not retrieved will be mailed to the club and the cost of mailing will be charged to the club.**

****PLEASE DOWNLOAD/PRINT THE MATERIALS FOR EACH WORKSHOP SESSIONS. THEY WILL NOT BE PROVIDED AT THE WORKSHOP.**
