Need to submit Form G to the Federation

SFA selected

Submit completed donor form with payment

It is best to contact SFA to make sure there are no revisions needed for that year's criteria, award letter etc.

Club selected

RECOMMENDATION: Retain records for 1 academic year (AY) for students who were not selected and AY+1 for students who were selected

SFA Selected

BENEFITS

- Removes Club from 'blame' when a parent questions the selection/recipient
- Less time-consuming for Club
- Auditing falls on TAMU-SFA

CONSIDERATIONS

- Typically a larger population of students is considered
- Occasionally, Club criteria must be revised based SFA awarding requirements
- Awarding and recognition time frames based on when awarding data becomes available and SFA awarding timeline

SFA Selected

We would like for SFA to select?

How do we get started?

STEP ONE –

Contact the SFA with details of your current scholarship process (if applicable) and what changes, if any, you would like to put in place. Discuss what population of students (i.e. freshman, continuing undergraduate, transfer, graduate) you are hoping to award. Discuss timeline keeping any recognition ceremonies in mind.

STEP TWO –

Draft the selection criteria (Scholarship Criteria Agreement Template on next slide can be used as an example) and finalize based upon Federation regulations, Club desires, and SFA procedures.

STEP THREE –

SFA will keep this criteria on file, will award based on this criteria (once payment has been received or club has made contact notifying that payment will be sent), will contact the awarded students with award letters and will contact the club once awardees are selected. Club will need to follow up if any amendments need to be made.

*Preferred that this process be completed by July 1
