

# Federation of Texas A&M Mothers' Clubs Newsletter

From the President, Cathleen Inman '88

Howdy Aggie Moms!

I'm so excited to be serving this great organization as President this year! I love being an Aggie Mom....we are so unique!

This is my 5<sup>th</sup> year on the Board and I became involved in Aggie Moms when my daughter, Tara Tredaway '15, decided to transfer to TAMU in 2012. My son, Tyler Tredaway, is a Bobcat but loves the Aggies too and all three of us come to as many Fightin' Texas Aggie football games as possible. This

year's TAMU vs Texas State football game should be interesting! WHOOP!

The Board is hard at work supporting and serving you as we carry out the mission of the Federation... *"by individual and united effort to contribute in every way to the comfort and welfare of the students and to cooperate with Texas A&M University in maintaining a high standard of moral conduct and intellectual attainment."* **If we can be of service to you this year, please don't hesitate to reach out to us....we are here to serve you!** Our contact information can be found on the website by clicking on the "Federation" Menu and then on the "Officers" option.

This year's theme is **"Aggie Moms: Service and Sisterhood."** I dedicated the year to the **Veteran Resource & Support Center**. I'll be spotlighting them throughout the year and the difference they make in the lives of our veteran students.

You can read my President's message at [https://aggiemoms.org/wp-content/uploads/2019/05/Presidents\\_Message.pdf](https://aggiemoms.org/wp-content/uploads/2019/05/Presidents_Message.pdf).

There are many types of service....service to country, community, family, Aggie Moms, Aggie students, the University, friends, etc. I truly believe that service to others leads to fulfillment. As Martin Luther King, Jr. once said, "Everyone can be great, because everyone can serve." As we focus on service, let us also focus on sisterhood.... strengthening our bonds with other Aggie Moms. We've all heard "Aggies take care of Aggies".....my hope is that we spread the gospel of "Aggie Moms take care of Aggie Moms!"

*We want all Aggie Moms to be supported and successful in the sisterhood. What does this mean exactly? My definition includes mentoring other Aggie Moms, explaining to new moms who we are and why we're special, communicating effectively with each other, sharing knowledge, coming from a place of grace when working together, and assuming we all have the best intentions, even though we may do things differently.*

I hope to see you at the Fall Dinner on Friday, 8/23/19 at the George H. W. Bush Library, the Federation meetings on Saturday, 8/24/19, and the "Momraderie" event at The Cove after our workshops!

Work hard this year... but remember to have fun too!

*Gig.em!*  
**Cathleen**

The impact our Aggie Moms continue to make is inspiring:

In 2017-2018  
Aggie Moms raised **\$616,985** in scholarships and gave **\$134,757** to student organizations.

In just the last 11 years,  
Aggie Moms have raised over **\$5.3 Million** for scholarships and student organizations.

Howdy Moms!

I'm Diane Eckols, President Elect 2019-2020. I'm so excited about this year and look forward to building the best we can be for our Aggie Mom community, our Aggies and the University. My focus as President Elect is to assist you with issues regarding Federal and State laws and rules pertaining to 501(c) (3) organizations, as well as helping you secure or maintain your Federal and State Tax Exemption. I may not have all the answers, but I'm always willing to research and work together to find a solution. Please be sure to file your Form 990 with the IRS prior to October 15, 2019. If your club needs an extension, a Form 8868 can be filed by October 15 which gives you until January 15; you can also file for a second extension until April 15 if needed. After filing your club's 990, please forward me a copy of the acknowledgement you will receive from the IRS at [preselect@aggienetwork.com](mailto:preselect@aggienetwork.com).

Filing your 990 with the IRS is quite possibly the **MOST IMPORTANT FORM** you will complete all year long, and it must be completed on time. You will submit your Form T to me by **February 1, 2020**. More information regarding that form will be sent later in the year. My email address for all Federation correspondence is [preselect@aggienetwork.com](mailto:preselect@aggienetwork.com) and my cell number is 713.591.1709. It's going to be a great year!

## From the VP at Large, Peggy Nolan

There are no words to express my gratitude for the opportunity to serve as the 2018-2019 Federation President. The team of outstanding and dedicated Aggie Moms that worked so tirelessly beside me and supported me all year made me look good!

All of our hard work was because we love and completely embrace the mission of the Federation of Texas A&M University Mothers Clubs. Our goal was to help all of the 108 member clubs of the Federation remain relevant to their communities and to help the clubs recruit and retain members. We offered informative and entertaining programs and "after hours" events that are still being talked about. I am in awe of the hard work and the innovative ideas that each of the clubs brought to the table. I learned so much from each of you. Please continue to share your successes and your opportunities for growth. Keep pushing forward. Our Aggies and the University depend on us. We continue to make a difference every day and everyone's hard work doesn't go unnoticed.

I owe a huge thank you to each of the Aggie Moms that helped create the Federation Historical Visual Record (quilt and scrapbook). I see something new and different each time I lay it out. The scrapbook will be completed over the next few months and will be presented at a later date. What beautiful remembrances we will have for the year. Again, you are all to be commended for your efforts this past year. You brought to life the theme from last year, *"From Howdy To Here."* I look forward to learning just how much your clubs were able to return to our Aggies in the form of scholarships and support of student organizations.

Thank you for the privilege to serve and lead this incredible group of women. Your confidence in me is humbling.

## Howdy!

My name is Mechelle Fisher and I am your 2019-2020 1st VP-Membership.

I am so excited about this year's theme: "Service & Sisterhood". These two words describe what Aggie Moms is all about! My goal this year is to do whatever I can to help your club find unique ways to experience events and activities at every Aggie Mom meeting. Whether it is building your membership through great program opportunities or looking for new ways to energize your members, we are here to help spread the word about Aggie Moms and how to better meet the needs of today's Moms.

In addition to answering emails from moms who are looking to connect with their local club, I have had the privilege of working in conjunction with our Parent Socials Co-Chairs for both the College Station and Galveston Campuses to promote membership in Aggie Mothers' Clubs during New Student Conferences throughout the summer. Cindy DeWitt (College Station) and Johnna Lenamon (Galveston) have done a tremendous job of attending and organizing volunteers to attend these NSC's and have been the first Aggie Mom face new families see. On behalf of our member clubs, they have worked tirelessly to gather information from these families to pass on to local clubs so they can increase membership and get connected with Aggie Moms in their area. If your club has received Interest Forms or information on new Aggie Moms in your area, we hope you have seized the opportunity to reach out to them and welcome them to the Aggie Mom Family!

As many of you may know, new recruiting resources were established in the past few years to assist you in reaching out to new Aggie Moms. A postcard has been mailed by the Federation to all the addresses of students who have accepted their admission. This postcard is our official "Howdy & Welcome to the Aggie Family!" It encourages Moms to go to the Federation website and/or the interactive Aggie Moms Events Map for information on their local clubs. As this is a great resource to increase your membership, I encourage each club to go to the Events Map and add all your events for the year (HOWDY Party, Monthly Meetings, Social Events, Fundraising Events, etc.). For more information on how to use the Events Map, please visit the Resource section of our website here: <https://aggiemoms.org/resources/>

We have also continued our efforts to reach out to Moms that do not have a local club near them through our Adopt-a-Mom program. We have been collecting Interest Forms and responding to emails from these families so that we can share the Aggie Mom spirit with Moms who may not feel connected because they don't live near a club or live too far from the campus to be involved. These Moms are incredibly grateful to be included, and we continue to work to improve this program to best serve these families.

During the upcoming Fall Federation Meeting and Workshops (August 23-24, 2019) I want to encourage each club to send a representative to attend the Membership Workshop. It will be held Saturday morning following the Fall Meeting. You can get more information on the weekend's activities including the handouts we will be using here: <https://aggiemoms.org/workshops/> Please print out the handouts and bring them with you!

Topics discussed at the Membership Workshop will include:

*Increasing Membership Through Great Programs* - There is an abundance of great speakers at Texas A&M that would LOVE to come to speak to your local clubs. We will share some information on how to reach out to get new speakers and in the spirit of SISTERHOOD, be sure to bring the key ideas/speakers that have worked for your clubs to share with others.

*Triple R Workshop (Recruiting, Retaining, and Remaining Relevant)* - What have been your best programs? How do you handle goody bags/exam packs for your students? Do you use social media? What types of social events does your club host (dinners, shopping, bunco, quilting, book club, painting classes?) This is a great time to network with your peers from other clubs for sharing ideas, so bring your questions!

I feel so blessed to be representing the Federation as 1st VP of Membership and to show others "Service & Sisterhood" this year! I can't wait to meet y'all at the upcoming Fall Federation Meeting and Workshops and work with you throughout the year to promote membership in Aggie Moms. If you need anything in the meantime, feel free to contact me at 830.285.3932. or [1stVPMembership@aggienetwork.com](mailto:1stVPMembership@aggienetwork.com).

## From 7th VP—Directory, Colleen Holmes '76

Howdy 108 Aggie Mom Clubs!

It is an honor to serve as the 7th VP Directory this year and a privilege to showcase President Cathleen Inman's theme of "**Service and Sisterhood**" and focusing on the **Veteran Resource & Support Center**.

It has been a busy summer meeting with our printer, contacting campus leaders for ads, and confirming club information. A record of all 108 member clubs with updated contact information will be available to current and future Aggie Moms as well as the TAMU Dignitaries and campus leaders. Thank you all so much for taking the time to submit your Form C!

A copy of the 2019-2020 Federation Directory will be included in your President's Packet that will be distributed at the Federation Fall Meeting on August 24 during Registration outside the MSC Gates Ballroom. Additional copies will be on sale for \$5.00 each.

It has been a pleasure to work with everyone to create this record of the 2019-2020 Mothers' Clubs and their officers. Working with my fellow "Sisters" and serving our University and students reminds me that as a TEAM, we continue to create beautiful memories for all Texas A&M Mothers' Clubs and the Federation as a whole.

Have a "WHOOOP" of a year and Gig'em Ags!

## TREASURES FROM THE TREASURER

### Howdy Moms!

I am honored to serve as your 2019-2020 Federation Treasurer.

This is a brand new role for me and I will be learning along with many of you! (If only my Aggie Accounting Professor could see me now!) To facilitate our learning curve, I want to encourage everyone to attend the upcoming workshops with me at the **Fall Federation Meeting** on **August 24th**. There will be **two** Treasurer-related sessions that are chock full of important information for you and your Club!

**Session 1: State Sales Tax & Fundraising Policies** – A representative from the State Comptroller's Office will provide valuable information on when and how to collect sales tax, how to report and pay it, and what and when items are exempt from sales tax. This is an excellent opportunity to ask questions and get the answers on anything related to Sales Tax or Fundraising straight from the experts!

**Session 2: Treasurer Best Practices** - This is a great session for both new and experienced Treasurers, and anyone considering becoming a Club Treasurer. We'll discuss best practices and have an open Q&A and information exchange. This session will also provide information on filing Form 990 with the IRS (due October 15), Form B-Payment of Dues & Archives Fees (due February 1), Form Y-Tax Compliance Verification (due May 15), and much more.

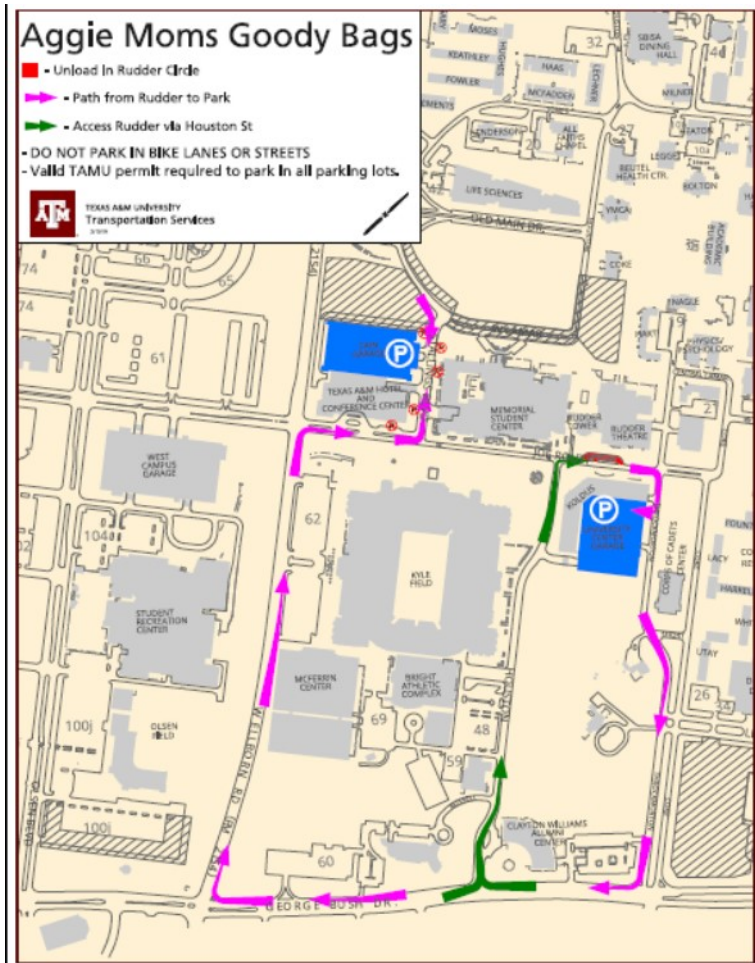

Please feel free to email me at [treasurer@aggienetwork.com](mailto:treasurer@aggienetwork.com). I can't wait to learn with you! Just consider me your **12<sup>th</sup> Man** of Treasurer questions! I stand ready to jump in and help! #putmeincoach

## In the Spotlight...

HOWDY Moms,

First of all...THANK YOU! The Texas A&M Veteran Resource & Support Center (VRSC) is truly blessed to be the 'dedicated' campus office for the 2019-2020 school year.

When I opened the VRSC in 2012, I could never have imagined the progress and success that was possible in just seven years. With the support of countless Moms and others, the VRSC has been able to:

- Create dozens of new scholarships and numerous academic support programs.
- Help build and support the premiere text book lending library on any campus in the country.
- Provide Aggie Rings to nearly 300 student veterans.
- Form new and unique partnerships that provide 'application to vocation' transition support for those who have served.
- Become a national leader in military-affiliated student support.

The VRSC achieved these milestones during a time when the Aggie student veteran enrollment nearly doubled. Our success is only possible with the selfless service, leadership and loyalty that is the hallmark our supporters from within the Aggie Family. As we go through this "dedication year," we look forward to meeting as many Aggie Moms as possible...Quite simply, you are the BEST!

One final note...the VRSC is moving from the original location in Koldus to the lower level of the MSC. The move should be complete by mid-August. I offer an open invitation to all Aggie Moms: When you are on campus, please stop by to see our new VRSC (in the old Choral Activity space). We would be honored to provide you with a quick tour and show you the impact of the Federation's support.

### From the Corresponding Secretary—Tricia Hartmann

Howdy!

I'm Tricia Hartmann, 2019-2020 Corresponding Secretary. I've been a member of Blanco County Aggie Moms since our Club was founded in '06 and served several years as President and currently as Treasurer. I am married

## “PASS IT BACK” FROM THE PARLIAMENTARIAN

Howdy, Aggie Moms!

It's the beginning of our “new” year and I am so excited to be serving as your Parliamentarian! Fall is a great time for new pencils, notebooks, binders, and By-Laws. I'd like to encourage you to read through the Federation By-Laws Revisions that you were sent in June, since we will be voting on them at our Business Meeting on August 24. Here's how voting works: Each club has a minimum of 3 Delegates (the Club President, or designee, and two active-paid members) to represent their first 100 members. Those clubs with more than 100 members receive 1 additional delegate for every 50 members after 100. As a courtesy, appointed Federation Officers can be selected as voting delegates from their home club. Questions about this process? Feel free to ask!

Last month many of you were asked to send a complete digital Word document copy of your current bylaws and standing rules to [parl@aggienetwork.com](mailto:parl@aggienetwork.com), so if you have not yet done that, please do so. As Parliamentarian it's my job to keep an updated version of each Club's By-Laws for the Federation. It's important for us to have this info in order to keep our 501 (c)(3) status. This year we plan to review Club By-laws to make sure they comply with the new Federation By-Laws. In general, if your Club's By-laws are more than 5 years old, it's a good idea to revise them. Please consider attending the Fall Workshop! It's a wonderful place to meet fellow Aggie Moms. If you attend, come find me at the dinner or the Business Meeting and say “howdy!”

*Gig.em!*  
*Daniela*

### Did you know that Brazos County has an “Aggies In Need” Service?

AGGIES IN NEED...Aggies in Need is a unique service of the Brazos County Aggie Moms.

## MEET YOUR CAMP CO-CHAIRS

### From AMC Co-Chair—Denise Isenhour

Howdy!

I am wife to David and Mom to David, Jr class of '18 Petroleum Engineering, and Christian, who is currently finishing up JUCO baseball and deciding on his next college to continue his studies and play more ball!

I love volunteering for my passions and traveling with my family!

In addition to being a Co-Chair of the 2020 Aggie Mom Camp, I am President of the Austin Aggie Moms' Club. Being a part of an Aggie Mothers' club was the perfect transition for me from high school volunteer to Aggie Mom volunteer.

I have made some of my best friends and found a calling with the Aggie Mom mission of supporting the students of Texas A&M and the University.

Being asked to be a lead for the Federation Aggie Mom Camp was an unexpected honor and I am thrilled I am Co-Chairing with Stephanie Collums, and I can't wait to share this year's camp with our moms! I can honestly say one of the best gifts I have received from my son is the gift of being an Aggie Mom!

### From AMC Co-Chair—Stephanie Collums '87

Howdy!

I am a 1987 Aggie grad with a degree in Educational Curriculum & Instruction, and in 1994 earned my M. Ed. in administration.

I am proud to say I am the Mom of two Aggies who are

carrying on the tradition - Megan '16 and Nick '19! Megan was convinced she would be a TCU Horned Frog until the day she spent 2 hours walking through the Bonfire Memorial. She told me with tears on her cheeks that God told her A&M was the place for her and she has never looked back! Nick has known since the day he entered this world that Aggieland was for him...no convincing from me or God needed!! Meg brought another Aggie into our fold when she married Sean '16!

I am excited to be a Co-Chair for Aggie Mom Camp this year and sincerely hope that the Moms who come to camp will feel like they have learned something new about Aggieland and that their hearts will bleed maroon....wait, they already DO!!!

Howdy!

I am Aggie mom to my son Kade '17 who is a Biomedical Science graduate and currently attending Ross University Veterinary Medicine. My youngest son is Heath '20 who was recently accepted into the Mays Business School PPA master's program for Accounting and Finance and he will graduate with his undergraduate and master's degree in 2022. I am the club president of the Kaufman County Aggie Moms' club and serve on the Federation board as the Hospitality Co-chair this year. I am married to my husband Jody. Our lives drastically changed when my oldest son was accepted to A&M in 2013 and it has been wonderful to be a part of such an incredible university.

My husband and I attended other universities but we got to A&M as fast as we could! We are season ticket holders and attend every home football game and even try to do one road trip to an away game. There's nothing like Aggie football or the spirit in Aggieland. This is my fourth year serving on the Federation of Texas A&M Mothers' Club Board and it has been such a wonderful experience. I wanted to do something to help and support other Aggie Mom's and hopefully make some impact along the way. It is so awesome to be able to support our students, Aggie Moms, and the University! I have enjoyed being a part of the sisterhood and meet so many incredible people in my time of service. How 'bout them Aggies! Whoop!

*Gig.em!*

*Kristi King*

## From Hospitality—Maria Wheeler

Howdy!

My son Jonathan Esquivel is class of '16, whoop!

I joined our local club in 2012. I have served as President of Fort Worth Tarrant County Aggie Moms (2018-2019), Vice President of Hospitality, President Elect and

now will be serving as Parliamentarian this year as well as Co-Chair Ring Of Honor with Lisa McMillian. I love these ladies and enjoy the Aggie Mom fellowship.

I have also proudly served on the Federation Board as Aggie Mom Camp Chair 2019. I am very excited to serve this year as Co-Chair Hospitality with Kristi King and Kim Kovar.

I love being part of such a great tradition of ladies who serve our students and community. Aggie Moms are a sisterhood that has selflessly served Aggies for almost 100 years!

*Gig.em!*

*Maria Wheeler*

## From Hospitality—Kim Kovar

Kim Kovar has served on the Federation Board for several years in a variety of positions, including 3<sup>rd</sup> VP Registration and Recording Secretary.

Kim loves serving others and is excited to have a position of service in the role as Hospitality Co-Chair 2019-2020.

Howdy Aggie Moms!

I'm Karen Hunter '85, the Electronic Information Chair for 2019-2020.

My responsibilities include maintaining the Federation's website, email accounts and other techie-type tasks that arise.

The Federation is moving towards more technology solutions, as are many Clubs. At a minimum, your Club can get a free, already customized and easy to maintain website hosted by The Association of Former Students and a corresponding AggieNetwork email account. Requests can be made using this link: [Website Request](#). If your Club already has a website that has gone inactive and you want to begin using it again, please contact me. Additionally, you can also set up AggieNetwork.com email accounts for your Club officers by submitting the Email Request Template found on the [Federation's Club Resources page](#).

Don't miss our Technology-based Workshops after our Fall meetings – *Maintaining Your Club Website Using WordPress* and *Tech Tools to Help Streamline Your Club*. This year I have a Technology Committee Aggie Moms to leverage different knowledge and talents. If you have any specific topic requests, please contact me. We want to assist with solutions where we can.

If you have any questions, please don't hesitate to contact me.

Howdy!

Summer 2019 New Student Conferences (NSCs) got off to a great start here in Aggieland! We had 3 NSCs in May, 10 in June, 5 in July, and 3 more are scheduled for August.

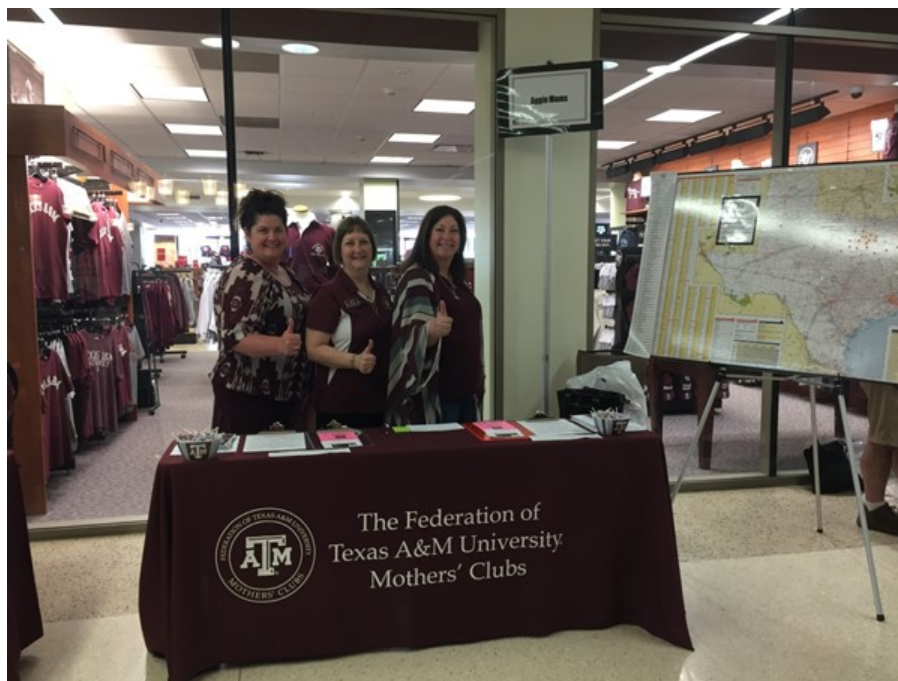

With the help of many great volunteers we have greeted LOTS of new Aggie Moms and Dads, students, and families, and shared with them about Aggie Mom Clubs, locating Aggie Mom Events online (make sure you are updating the calendar with your upcoming events!), Aggie Mom Camp, the Federation's closed Facebook group, and Aggies In Need (a service of the Brazos County Club)!

Some were still getting used to saying "Howdy!" in reply to us saying it as they approached our table. Many mentioned seeing our Aggie Mom video during lunch, and several mentioned that it brought them to tears (in a good way).

For those we may have missed speaking to personally, 18,000 family bags had a Federation color brochure and Interest Form inside, so everyone is getting information about Aggie Moms via one method or another . . . or all three!

We've collected over 360 Interest Forms via online form, email, in-person contact, or snail mail so far! That's a lot of new Aggie Moms! Whoop! Information from these forms is being sent to Clubs based on the Moms' physical addresses. When a Mom lives in proximity to more than one Club her information is sent to each of those Clubs so she may decide which Club/meeting location is the best fit for her. We've also had several Moms from areas that do not have Clubs express interest in starting new Clubs and several Moms who want to be adopted by existing Clubs! I know you'll be welcoming new Aggie Moms to your Clubs and I've had a great time meeting and visiting with some of them on your behalf!

HOWDY MOMS!

Summer 2019 has been busy with NSC's at the Galveston Campus.

It has been an exciting time representing all the 108 clubs at the Galveston Campus in the new Aggie Special Events Center (ASEC)! So far there have been 5 NSC's and I have collected 72 "Interest Forms" that have been sent to various clubs.

There is 1 NSC left in August for those students not able to attend a previous session. I have thoroughly enjoyed meeting so many new and excited Aggie families and share what a great organization Aggie Mom's is.

I have also enjoyed meeting the new students who can't wait to show their Aggie pride. Many of the families are from Texas but I have also met many from across the US and the WORLD! As this is the third year the Federation has participated in NSC's on the Galveston Campus, it has been great working beside the ladies of the Galveston County Aggie Mother's Club as we both make sure that families know the importance of joining an Aggie Moms' Club!

## From the Historian—Roxanne Forrest

HOWDY!

I am your Federation Historian for the 2019-2020 year.

I live in Castroville, Texas, just outside of San Antonio, for those of you who have never heard of it. Steve and I have been married for almost 23 years and I'm the mother of 3 sons (Regan, Wyatt & Mason), and grandmother of 2 grandsons (Raylan & Rowdy). Wyatt is in Mays Business School, Class of '21 and Mason will be attending in the Fall of 2020.

I am President of the Medina County Aggie Moms' Club. I am so excited to represent the Federation this year and document all of President Inman's Executive memories, so please send me photos of Cathleen that you may collect this year for me to add to her scrapbook.

Remember to archive all of your yearly events and documents or anything you want to be remembered @ the Cushing Library. Please join me @ the Fall Workshop and learn more about documenting and saving all of your club's history in our Archiving Workshop.

I also serve as Liaison for the District 21 Clubs, so please let me know if I can assist you with anything.
