PRESIDENT'S MESSAGE

SEASONS GREETINGS and HOWDY AGGIE MOMS!

Well, the Holidays are upon us, and our Aggies are preparing for Finals!

I look forward to seeing many of you when our Tyler Aggie Moms are in the MSC next week dispensing hugs and Goodie Bags to our students. If you have never volunteered to help deliver these hugs from home, I highly recommend you volunteer or just show up to share the love! It is always so much fun and really boosts our Aggies' spirits when the pressures of this time in the semester seem to weigh heavy on them.

It has been a busy Fall Semester and I am happy that 110 member clubs, and some new ones on the way, have been working diligently to serve their area clubs and Aggies. The fun is just contagious! I am excited about all the amazing events I have seen posted on social media from clubs in Colorado, Northeast Texas, South Texas, California, Central Texas, and Chicago! I know many of you have events scheduled for the holidays, too! I enjoyed visiting several Aggie Mom Clubs these past few months and met so many new Aggie Mom Friends! Keep reaching out to those fish Moms and those with Transfer students! Many new Aggie families are already getting acceptance letters for next fall, so reach out and invite those moms to JOIN THE CLUB now! Why wait??

I, along with Tamra Walker '89, Diane Eckols, and Stephanie Collums '87, was on campus for a momentous occasion on Friday, November 19, 2021. A decades long dream came true, and the inspired work of dedicated students in the Matthew Gaines Society and Texas A&M leaders culminated in the recognition of Senator Matthew Gaines through the dedication of a memorial statue on Rudder Plaza with over 1,000 attendees! Please take the time to visit this historical site and learn of the efforts of Senator Gaines to provide educational opportunities to Texans through the Morrill Land Grant Act. His contribution to the creation of Texas A&M and Prairie View A&M ensures Everyone Gaines! <https://today.tamu.edu/2021/11/20/texas-am-unveils-statue-of-sen-matthew-gaines/>

Not only do we have amazing classes available through Aggie Mom University that you can access at your convenience, but we also have Podcast Information at your fingertips and available to you 24/7! Check it out on the Aggie Mom Website: <https://aggiemoms.org/podcasts/>

We will be adding more podcasts in January, and coming soon will be information about Hulla-baloo U, a first semester course for all incoming students. It is an amazing course that really helps our new Aggies make connections with a peer group along with a student mentor and caring Instructor. Current podcasts available are Academic Success Center, Career Center, Federation, Listeners on Call, Visit College Station and Ring Day information. We have you covered!

President's Message Continued from Page 1

Mark your calendars and get your Glad Rags out! We are so excited to celebrate our 100th year of Standing Ready at our **Winter Federation Donor Dinner on Saturday, January 22, 2022.**

We will have our Winter Federation Meetings at the MSC on Saturday morning from 8:15 a.m. to 11:30 a.m. A light breakfast with coffee will be served by our Hospitality Chairs.

Following our Federation Meetings, Adelle Hedleston, Libraries Manager, has invited Aggie Moms to attend an **Open House from 11:30-12:30 p.m.** with refreshments and a tour at the Sterling C. Evans Library and Library Annex to celebrate the fulfillment of our \$500,000 Aggie Mothers' Clubs Endowment which was completed at the end of President Diane Eckols' year. The endowment was initiated in 1991 and the monies raised have provided funds for the Student TV Lounge in the Main Library and in the Annex, The Studio, a multi-media facility with green rooms and quiet rooms for podcasts, study/computer space for students and state of the art communication classroom facilities. Then there will be a **Sip and Shop event in Downtown Bryan from 12:00-5:00 P.M.** that you do not want to miss!

The Bee's Knees will be the Winter Dinner from **6:00-10:00 P.M.** that evening at The Texas A&M Hotel's Century Ballroom! We have amazing guest speakers that will have some insight into being a 12th Man and it will be a wonderful evening of celebrating E. King Gill and his inspiration of Standing Ready for our Aggies, on and off the field. Tickets are on sale now at ourschool.support/FedWinterDinner2022.

Finally, this is the season of serving our loved ones, at home, work, school, and those in the service. Some good advice for busy moms, and our busy students...When things feel too overwhelming, remember:

One Day at a time...

One Task at a time...

One Thought at a time...

One Moment at a time...

Be Happy!

PRESIDENT ELECT CHECKS IN!

What a **BUSY** Fall Semester we have had!

In September, we launched the second year of **Aggie Mom University**. We listened to your requests to make the classes available even if you could not participate in a LIVE class. So, over the summer we worked with Ashton Kantor '16 to find a Learning Management System (LMS) that would allow us to record and store our AMU classes. If you have not stopped by the **Aggie Mom University Class Schedule** on AggieMoms.org, you are missing out on a tremendous resource! Our hard working Board Members prepared and presented great classes to help every Club! We enlisted professionals from on campus and off to enrich the content and it turned out to be a Fall Semester that we are very proud of! The classes are varied and you can tune in to watch as well as download extra resources, including the PowerPoint presentations from every class. The **Spring Semester** will kick off again in January and we will continue to add classes as we hear about things you want to learn! I sincerely hope you will join us! We are so thankful for Development Dollars that made this platform possible to serve **ALL CLUBS**!

You also made a '100' on your fall homework which was submitting your **Form 990's**! Thanks to your diligence, EVERY SINGLE CLUB, submitted their 990 this year! Thanks to Club Officers as well as District Liaisons for getting this important project completed!

Next up, we will be submitting [Form T](#), which is due by February 1, 2022. 4th VP of Reports, Karen Hunter '85 will be receiving this form this year! (This is new!) Email Karen at 4thVPReports@AggieNetwork.com with your questions. Each year we are required by the IRS to update our records with a complete listing of our subordinate groups - our local Clubs! Form T is for Federation internal record keeping only. It is NOT filed with the IRS, but it is **key to The Federation maintaining our 501(c)(3) status**. So, let's get a '100' on our spring homework and turn it in ahead of time!

In addition, I have enjoyed working and planning for the 2022-2023 Federation Year! I am currently seeking **SPARKLERS** to serve alongside me next year! If you have ever considered being on The Federation Board, I hope you will apply! You can watch "Aspiring to Leadership" on Aggie Mom University for more information. Form A is being updated to an electronic process, so watch for that update and be sure to have everything turned in by the February 1, 2022 deadline. No matter your skill set, we can use you! Email me at preselect@aggienetwork.com, or text me at 214-850-4473 with any questions. I would love to visit with you about this opportunity!

I can't wait to see you all at our Winter Federation Weekend, January 21-22, 2022. I have my flapper dress hanging in the closet and I am ready to enjoy an incredible evening with Coach Sherrill and Notable 12th Man Players as we celebrate our awesome Donors and the 100th Anniversary of The 12th Man Tradition at Texas A&M University! Aggie Moms have been Standing Ready with our students every step of the way and this celebration will have you Whooping!

Come join all of the fun!

Howdy Moms!

The fall semester has flown by and is coming to a close, but the Aggie Moms continue to stay busy. It was so fun to meet up with Moms at the home game tailgates! If you didn't get to stop by, please remember we are there every year.

I am very excited that we have our very first Aggie Mom Ambassadors! Ambassadors are Moms who are interested in volunteering with the Federation. It is a great opportunity to get more involved and see if you would like to possibly join the board in the future. We will be recruiting again for Moms after elections in April, so watch for more information to come!

My last job as VP at Large is to chair the nomination committee. I am very excited to serve, because the future is so bright for all our Aggie Moms. Tamra Walker will be an inspiring President next year. If you have interest in serving on the board, please contact me with any questions.

This year, Form A will be all online. No copies to make or trips to the post office. Please note that it is a two step process. You as the applicant will fill out one form and your club president will complete a reference letter and confirm Form B has been submitted the Federation Treasurer along with club dues. The deadline is February 1st. Also for the first time, we will also have brief interviews on Sunday, March 6th. The committee will meet and make nominations Saturday, March 12th. I hope you will seriously consider serving.

I look forward to seeing everyone Saturday, January 22nd. Gather your Glad Rags and join the fun. It will be the 12th Man Party of the Century!

Howdy Aggie Moms!

As of now, all Clubs should have received a copy of the 2021-2022 Federation Directory! If your club was unable to pick it up during the Fall Federation meeting in August, it was provided by other means. If your club needs additional copies, we will have some for sale for \$5 at the Winter Meeting until we sell out. This is our second year offering the electronic version of the directory on our Federation Website so we encourage clubs to take advantage of this resource as well.

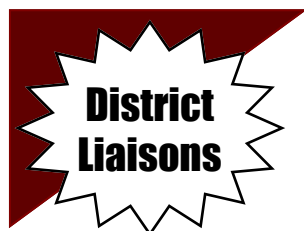

It is very important that clubs help us keep their information up to date. As you are aware this is done through FORM C. If throughout the club year there have been ANY changes, a club representative can make updates to FORM C by section (General Club Info, Permanent Club Address, Officer Information, Meeting Information, etc.) from the Form C page of our website: <https://aggiemoms.org/forms/formc/>. PLEASE REMEMBER CHANGES CAN BE MADE MULTIPLE TIMES so we welcome any information you can provide as changes are made.

TREASURES FROM OUR TREASURER

Howdy Moms,

It is hard to believe 2021 is almost over! I hope everyone had a Happy Thanksgiving and enjoyed time with their Aggie Family.

As part of our wonderful new Aggie Mom University, I was privileged to be able to teach the "Treasurer Best Practices and Filing the 990-N" class on October 4th which touched on the Treasurer Best Practices and expanded upon the information needed for clubs to file their annual 990. As a continuation of Aggie Mom University, a class on ***"Treasurer Best Practices and Filing State Sales Tax" will be hosted on January 6, 2022 at 7:00 p.m. CST.*** I hope all your club Treasurers and/or Presidents (and/or anyone reporting financial information for your club) plans to sit in on this very important and informative course. Don't forget that access to a lot of the information can be found on our website (www.aggie moms.org) under the "Resources for Clubs" tab. If you don't find the answer to your question there, feel free to contact me anytime! Also, you can still go back into AMU and click on the class to view the recorded version of it.

I hope to see a lot of you at the Federation Dinner on January 22nd and at Aggie Mom Camp in March.

As District 20 Liaison, I am looking forward to getting together with our District 20 Clubs! Please check in with the 6th VP of Districts (Alice Artman) with any questions or concerns you may have. Our meeting date is set for Sunday, February 20th @ the Dodging Duck in Boerne.

I have truly been blessed to represent the Federation this year as Treasurer. I am looking forward to working with all of you throughout the remaining 2021-2022 club year and assisting your club with any questions and providing necessary resources. If there is ever anything I can do to help your club in its financial record keeping success, please feel free to contact me at 210-445-6365 or Treasurer@aggienetwork.com.

I have received many local Aggie Mom club quilt squares in anticipation of creating a lovely and memorable historical record quilt for our Federation President, Kathie Latham. Thanks! If you have NOT sent in your square, it's not too late. Please let me know ASAP of your intentions. I am honored to be a part of the creation of this historical record for our President.

In upcoming news, if you are interested in applying for a Federation Board position, the process will be online this year. Whoop! Diane Eckols, VP at Large, is heading up the Nominating Committee. The Form A is for the applicant to complete to be considered for a board position.

The new and improved Form A for Nominations will be accessible on the Federation website before Christmas. We will notify all Form C club officers by email when it becomes available. The applicant's club president must also complete an online reference letter and confirm all club Federation dues and fees are current. The deadline is February 1st. Also for the first time, we will also have brief interviews on Sunday, March 6th. The committee will meet and make nominations Saturday, March 12th. I hope you will seriously consider serving.

Please email to corrsec@aggienetwork.com or call me at 832-746-7739 if you have questions.

Yours in all that is Aggie Momish,

FEDERATION OF TEXAS A&M UNIVERSITY MOTHERS' CLUBS

WINTER NEWSLETTER-DECEMBER 2021

DESIGNATING A FEDERATION DELEGATE

Did you know, all clubs have voting delegates? Delegates represent your club and have a voice in the Federation. The Federation bylaws specify a minimum number of delegates representing clubs are necessary to hold our Fall, Winter, and Spring Federation meetings. Volunteering to be a club delegate is a fantastic introduction to all the Federation does to provide support and resources to you, our 110 member clubs.

Here's how to submit your delegates:

1. Submit your delegates and alternates via the link provided by the 3rd VP of Registration. Watch for the link in your email late December.
2. Notify the 3rd VP of Registration by email at 3rdvpregistration@aggienetwork.com if an alternate will be substituting for a delegate.
3. Ensure your designated delegates/alternates attend either via Zoom or in person.

What are my Responsibilities as a Delegate?

1. Participating as a delegate has never been easier, because you may participate in person or on-line.
2. Either stop by the delegate table or sign in on Zoom to check in as a delegate.
3. If you are a delegate attending in person, please sit in the reserved section.
4. If you are a delegate on zoom, a moderator will be monitoring the chat during the meeting.
5. Vote on motions presented during the business meeting.

How do I vote?

When a vote takes place, these are one of the three ways it will happen: 1. **Unanimous Consent**, 2. **Yes/No Vote**, or 3. **Ballot**.

1. Unanimous Consent

What does it mean?

Unanimous consent means asking if anyone agrees with the motion. A motion may be passed without a formal vote being taken helping the meeting run smoothly and effectively. Unanimous consent is often used for minutes, or adjournment, or items that everyone seems to agree with.

What it looks like:

The President will say "If there are no objections, (pause), the _____ is/are approved.

During the pause, if you disagree with the motion, you have the right to interrupt with "I object". Wait until recognition from the President, state your name and club and the reason for your objection.

If you are an online delegate, you may use the raised hands emoji to alert the moderator you have an objection to the motion. The moderator will signal the President, wait until you are recognized, state your name, club, and your reason for the objection.

If anyone disagrees with the motion, one of the other voting types will be used.

Designating a Federation Delegate-Continued from Page 14

2. Yes/No Votes

What does it mean?

Yes/No Votes means asking an opinion if a motion should be approved. Federation meetings use yes/ no votes to pass bylaws and other motions which may require discussion.

What it looks like:

In Person delegates will be given a voting card. When instructed, you will raise your card to vote either “yes” or “no”, while the cards are being counted. Please keep the card raised until you are asked to lower your card.

Online delegates will vote using the online poll feature. The President will give you any additional instructions before the Electronic Media Chair posts the poll.

3. Ballot Voting

What Does it mean?

A ballot vote is used for elections or anytime a particularly sensitive or divisive issue where pressure might prevent people from voting how they really feel about a motion.

What it looks like:

In person delegates will receive a printed ballot and will receive any additional instructions from the President.

Online delegates will vote using the online poll feature. Online delegates will vote using the online poll feature. The President will give you any additional instructions before the Electronic Media Chair posts the poll.

QATAR FOUNDATION SCHOLARSHIP INFORMATION — DID YOU KNOW?

President Latham, VP at Large Eckols, and our Parliamentarian, Monica Isgren, recently met with Nora Cargo, the TAMU Director of Financial Aid and Scholarships. We learned even though the 4 campuses, College Station, Galveston, McAllen, and Qatar are part of the same Aggie family, Qatar tuition is funded through the Qatar Foundation; as a result, the Qatar students do not have a need for Aggie Mom scholarships. Ms. Cargo encourages our clubs to focus fundraising efforts and scholarship criteria on our Aggies who attend the other three TAMU campuses.

Howdy!

Last summer at the Galveston New Student Conferences, we experienced such pleasure and a joy as we represented all 110 Aggie Mom clubs of the Federation of Aggie Mothers' Clubs. We had fun at the Aggie Mom resource table meeting new moms, new student Aggies and their families at the New Student Conferences.

It is hard to believe that the 2022-2023 school year is just around the corner!

The summer months will be busy. Aggie Mom volunteers will be needed to help coordinate New Student Conference activities. We invite you to participate and to sign up to help us introduce the Aggie Mom organization to all NSC attendees. We want to educate new moms about the Aggie Moms clubs in their area and recruit members to these local clubs. Our campus is growing, and we are meeting new Aggies from all over the USA, our wonderful state of Texas, and international students.

The joy and excitement is always great, and the new beginning vibes are in the air. Visit the Texas A&M Galveston campus website for the complete NSC schedule to prepare your local clubs for new Aggie Mom member recruiting. Please consider including these Galveston NSC dates in your HOWDY Party invitations and materials.

- ⇒ Provide training and support for general membership that attend Federation meetings.
