President's Message

HOWDY MOMS!

March has blown in like a lion and we've been Busy Bees in 2022! The Roaring 20's came to life celebrating 100 years of the 12th Man and 100 years of Dallas County Aggie Moms Standing Ready. Those able to attend these amazing celebrations heard from members of the original 12th Man Kick-Off Team and Coach Jackie Sherrill, moderated by the wonderful Dave South at the Donor Dinner in January. The Sterling C. Evans Library hosted Aggie Moms to celebrate the completion of the Aggie Mom Library Endowment after the Federation Winter Meetings. There were Maroon Coat Ambassadors to shuttle Aggie Moms from the MSC to the Library and back! Tours, food and wonderful presentations from Dean Julie Mosbo Ballestro and Adelle Hedleston along with historical photos of Aggie Mom Clubs from the Cushing Archives thanks to Archivist, Krista Oldham, made the afternoon both informative and FUN! I even met a Maroon Coat who is a current Chi Omega Sister! Such a great time. Aggies are just great hosts and helpers!!!

In February, Aggies, Moms and Friends gathered to celebrate Aggie Mom love and lore in Dallas County. The venue was perfect for the dinner and concert with historic displays from the decades of Dallas Aggie Moms working to help their Aggies and growing from one determined club into a Federation of 110! Topping off the night with the Singing Cadets Concert made it a magical evening for everyone! Fort Worth/Tarrant County will celebrate 100 years October 22, 2022, so Save the Date! The Texas A&M Hotel was our Hive for the Busy Bees of Aggie Mom Camp 2022! Camp Chairs, Suzan York and Kristi King, planned a BUSY weekend with so many wonderful student groups and speakers, crafting and tours! We also have a new tradition…Jimbo Fisher was our Surprise Speaker to start Camp! It was AWESOME and we heard him say it…he wants to come back every year! Dr. Bowen Loftin was also inspirational, he and Mrs. Loftin even played Aggie Mom Right/Left with us! We also celebrated the founder of Aggie Mom Camp, Patsy Armbruster, 1992-1993 Federation President from Fort Bend County. She shared the history of how it all began and was involved in every aspect of this year's camp, even dancing with the Aggie Wranglers! A precious memory for us all! We are thankful for the many hours of work from our Camp Chairs, Counselors and Staff to make this weekend such a success. Work is already underway for next year's camp under the direction of AMC Chair Amy Jo Fleshman! We are going to Grow! Stay tuned!

March brought the announcement of Texas A&M receiving the designation of HSI, Hispanic Serving Institution, from the US Department of Education after the Hispanic Association of Colleges and Universities recognized Texas A&M as an HSI in November 2021. The Texas A&M System now has seven federally designated HSI campuses. This upholds our land grant mission to serve all the students of this great state. Texas A&M is the only SEC school so designated. More good news… The Ags advance to the semifinals in the NIT, Baseball and Bubbles are Back, and Spring is HERE!

Serving as the Federation President this year has been an honor and a blessing to me. I have met so many wonderful Aggie Moms and families on this journey. The hive is healthy, the bees are growing their clubs and we are here to help that Momentum grow! We are now a destination school for many out of state students. What a joy to share the Spirit of Aggieland and Aggie Core Values with these young people. HOWDY is a hug from the heart. Please pass that HUG to everyone you see anytime you are on campus! Thank you for your support this year. Aggie Moms are here to serve. God Bless You Everyone!

President Elect Reflects on the Year

I cannot remember a year that passed faster than this one! I want to congratulate Katie Latham '80 on a great year of Standing Ready! I have learned and grown so much serving on the Executive Board this year and I truly have been in awe of all that goes into this Board. I look forward to continuing to serve students and families at Texas A&M University.

The year started with a memorable trolley ride through Tyler, Texas, Howdy Parties, and meeting TAMU administrators throughout the summer. We enjoyed tailgates and having a wonderful "in person" Fall Dinner at Kyle Field! We got to watch our Aggies take down Bama and remember an historic Red, White, and Blue Game Anniversary. I enjoyed my very first Aggieland Goody Bag Day, and getting to witness the unveiling of "Everybody Gaines" with sweet Aggie Mom friends. We celebrated paying off the Library Endowment and the 100th Anniversary of the Dallas Aggie Mom Club.

Another special highlight was hosting The 12th Man Kickoff Football Team and Coach Jackie Sherrill at our Winter Dinner. I loved getting to host Aggie Mom University classes this year and watch each of our Board Members lead and train through that program. I know that our next President Elect will continue to develop and grow the training that we offer our Clubs and leaders, and I am excited to support new ideas for AMU. I loved getting to know our fabulous donors better and was inspired time and again by their generosity and commitment to Aggie Moms everywhere. And I will be eternally grateful to have been able to enjoy Aggie Mom Camp with Ms. Patsy Armbruster. May we all choose "The Patsy Way" as we watch new leaders give their best when our service on the Board concludes.

We are ending the year with growth in our membership, increased participation at all events, and a very strong financial position. We had the highest number of applicants to serve on The Federation Board possibly ever, and I think you will LOVE getting to work with the incredible Moms that have stepped forward to serve next year! I look forward to continuing to meet and exceed our mission and I am beyond blessed to have such a fabulous slate of volunteers by my side to accomplish a host of goals! I hope you will follow Katie's example and continue Standing Ready with me!

Many thanks for such an incredible year I will never forget!

Vice President at Large

Howdy Moms!

It is with a happy heart that I share this final newsletter article and farewell to the Federation. Serving on the board for the past 6 years has been an honor. But incredibly, it has given me so much more than I ever imagined. Many times, I try to explain Aggie Moms, but words can't express the love and service we share for our Aggies and Texas A&M and the relationships we build with each other.

Thank you to the board members who served before and with me. From serving each local club to being able to represent Aggie Moms to the University, times have been funny, hard, inspiring, sad, isolating and connecting. I love that we continue Shining Together.

First, I learned to work with a strong team of women. Then later learned to create a vision and lead through a very challenging time in our history. Thank you for working beside me. Aggie Moms made me better and stronger.
I am so excited to see what's next. I hope I leave it better than I found it. I'm confident greater opportunities will develop.

Thank you to Katie Latham, Federation President 2021-2022, for allowing me to start a couple new projects this year.
We added a Digital Marketing position to develop an Aggie Mom App. This app will keep Moms informed with up-to-date information. It will also be a tool that is easily shared with new Moms giving them immediate access without delay. Nancy Skokan was the right woman for the task. Thank you, Nancy, for taking this year to get it launched! Be ready to download the app in April.

Secondly, I wanted to start a program that would give the Federation a team of Moms ready to assist with regular activities as well as special projects. Aggie Mom Ambassadors started in November with 12 Moms who raised their hands showing their interest in helping the Federation. One goal of this program is to help identify new potential leaders. In fact, three of our first Ambassadors will serve on the 2022-2023 board! Secondly, it provides an opportunity for former board members to stay involved, if desired. We would love for those interested to join us this spring. Suzan York will begin taking applications following Family Weekend.

My last assignment was to chair the nominating committee for the 2022-2023 slate of elected board members. Thank you, Tamar Elkeles, for recommending we add interviews to the process. This truly allowed the committee to make difficult choices and nominate the best candidate for each position.

Please care for each other, inspire each other and most of all, shine.

We are told to let our light shine, and if it does, we won't need to tell anybody it does, lighthouses don't fire cannons or call attention to their shining - they just shine. ~ Dwight l Moody

1st VP Membership

Howdy!

It has been a complete honor to Stand Ready and Serve our 110 clubs during the 2021-2022 year as The Federation First VP of Membership. Thank you for this opportunity!

This year, I hope you were able to visit The Federation Tailgate! It was so much fun meeting new friends and visiting with old friends! Thank you to everyone that came, brought food, and helped set up and take down the tailgate! I hope it was a place you could meet, get to know one another, and build the sisterhood of friendship! Please plan to attend next Fall and say, "Howdy" to Federation volunteers hosting this event for you!

Interest Forms from New Student Conferences: Aggie Mom Ambassadors and Federation Officers will continue to gather interest forms from new Moms and promote your clubs all summer at New Student Conferences from both the College Station and Galveston Campuses. Throughout the year, your club will also be promoted at all home football games, January New Student Conferences, and Boutique. Completed Interest Forms are forwarded to each club as they are received. Please follow up with each Mom as soon as you receive their name! One of the best practices is to personally call and text each name you receive and invite them to your Howdy Social and/or first meeting.

EIS (Enterprise Information System) Student List: You can pull lists of students in your area by making a request at https://aggieMoms.org/eislistprogram/. REMEMBER: lists can be pulled more than once during the year so you can reach Moms who didn't become members this past year as well as start working on new membership for the upcoming year! This is a fantastic way to grow your club!
Forming New Clubs: If you are in an Aggie Mom desert without an Aggie Mothers' Club, please consider beginning one! The 1st VP of Membership is happy to help send you the steps to start a club and walk you through the process!

Have a wonderful Spring and enjoy your family!

2nd VP PROGRAMS

I can't believe we are wrapping up the 2021-2022 year already! I want to thank everyone that attended the Winter meeting either in person or via Zoom! We had dynamic speakers and received a wealth of information. Ms. Reveille stopped by for a visit and pictures which is always a highlight!

The Spring meetings will be held on Family Weekend, April 8-9, 2022 with a slightly different format. We have registration and a reception with complimentary appetizers and beverages as well as a cash bar in the Gates Ball at 4:30 p.m. We will then begin the Business Meeting promptly at 5:00 p.m. It is very important that each club send their delegates to this meeting as we elect the incoming board for the 2022-2023 year. You should have received an email from the 3rd VP of Registration with information on how to attend in person or via Zoom.

The General meeting will begin on Saturday, April 9th at 9:00 a.m. with our usual distinguished guests, such as Chancellor Sharp and other TAMU dignitaries. The Singing Cadets are also performing so you won't want to miss this meeting. A light breakfast will be available starting at 8:15 a.m.

It has been an honor to serve you this year as the 2nd VP of Programs. I thoroughly enjoyed getting to know new Aggie Moms and plan fun and informative meetings for you this year.

Howdy Aggie Moms!

Thank you to everyone who submitted Form T. We are almost at a 93% completion rate.

I want to remind you that Federation Forms D, E and G need to be submitted by May 31st. The electronic submission process is the same as last year. All Aggie Brags welcome! Form E, reports your Club's Donations to TAMU Student Organizations, and Form G, reports your Club's Scholarship Awards. Please submit Forms E and G - even if your Club did not make any donations or award any scholarships. Positive Vibes from 5th VP Boutique

Howdy from the Land of Boutique Vibes!

Spring Virtual Boutique has begun and will run through March 27th.
Join in on the fun at: https://www.facebook.com/groups/texasaggieMomsboutique

Thank you to the clubs that are participating. **Please, please, please remember to submit your Virtual Boutique Income Report by April 2nd.**

Boutique is back, baby, and we are absolutely thrilled about hosting our Aggie Mom Boutique event during Family Weekend, April 8th-9th. It has been two long years since we last had a full face-to-face boutique, and we cannot wait to see the participating 43 clubs. By the time of this publication, clubs will already have detailed information about the boutique such as move-in, time and location. Start making your checklists. Items to jot down should include: Aggie Mom booth coverage (to sell items), tablecloths for tables, snacks to keep you going, tax-free signage, devices used for transactions, moving dollies and rolling carts to help move-in/out, office supplies, etc . . .. Also, remember that our Aggie Camp Chair will be collecting club silent auction donations during boutique for Aggie Mom Camp '23. Please consider donating an item toward this amazing Aggie Mom event. This should get you started, but expect your list to grow as you think through all that you need. We will provide you with garbage bags to help keep your area clean. Remember we will be guests of the MSC and want to keep our areas tidy.

There has been a change in our Boutique times for Saturday, April 9th. To accommodate the Spring Game, we have extended Saturday shopping hours to 10:00 am - 5:00 pm.

As clubs check in during move-in day, they will also receive information about the move-out process. Following the move-out directions will help get everyone out of the MSC as quickly as possible. Also, please remember to complete and submit the Boutique Income Report by May 1st.

If your club is not participating in our Boutique this year, but you'll be on campus, make sure to come visit us at the MSC. You're sure to find something maroon that you just gotta have! It has certainly been an adventure planning this event. I am honored that I had the opportunity to work with the many clubs that participated in our Virtual and Face-to-Face Boutique. We hope to see everyone back next year for Boutique 23!

7th VP Directory—AIMING to PLEASE!

Howdy Aggie Moms!

It's hard to believe the end of the 2021-2022 club year of Aggie Moms "Standing Ready" is here. I have no doubt that your club and all your Aggie Mom sisters stood together through everything life threw at us this year and will continue to do so into the 2022-2023 club year. It has been an amazing experience to create the Directory and I have had a great time getting to know so many of you!

Just a reminder that Form C's will be due on May 31st. Every Club President should be on the lookout for an email with the current information in our database along with the link and instructions on making updates for this year. If you have not received an email by mid-April, please contact 7thVPDirectory@AggieNetwork.com. It is very important that each club complete the filing by the deadline, so our 2022-2023 Directory is accurate and completed in time for the August meeting.

Please reach out if you ever have any questions. We are here to help you!

Treasures from our Treasurer

Howdy Moms!

Y'all did a wonderful job of submitting your Form B's, these were due Feb 1st. Thank you so very much for getting them in on time. We do still have a few clubs who have not turned in their Form B, so Treasurers (and/or Presidents), please make sure your club isn't one of them!

Please check your emails as I have sent reminders and will continue to do so until we have them all. ***REMEMBER IF YOUR CLUB DOES NOT SUBMIT FORM B BY MAY 31, 2022 THE CLUB WILL BE CONSIDERED INACTIVE.*** *I will continue to work with a few Clubs on these to get us to 100%.*

Form B's have been very enlightening. They help us see Clubs that are growing. Did you know that 68% of our Clubs have 50 or FEWER members? These numbers help our Board plan programs, and they help us understand the needs of all of our Clubs. The Archive Fees go to help us preserve our records for historical information and every Club helps share that cost. With 110 Clubs, this is a big job to collect and analyze this information, so THANK YOU for your support this year!

Next up is our required **FORM Y! (Federal & Tax Compliance)** Just go online to fill out this fom, it quick and easy. This form is **due no later than May 31, 2022.**

If you have a question or need assistance, please email me at treasurer@aggienetwork.com or call/text me at 210-445-6365.

I look forward to finishing this year strong with you!

I have truly been blessed and humbled representing the Federation as Treasurer this year. It has been a pleasure working with many clubs throughout the year as they navigated new financial endeavors! I look forward to assisting with the transition to the incoming Treasurer and I am grateful for the things I learned in assisting you all. Hope to see everyone at Family Weekend!!!

CORRESPONDING SECRETARY

Howdy!

I am wrapping up my second year on the Federation Board as Corresponding Secretary. And what a year it has been!

I was proud and honored to serve on the Federation Board under Diane Eckols and Katie Latham.

Along the way I have made some lifelong friends. Many of them will continue to serve on the Federation Board. Their leadership will grow and stretch our Federation in new and exciting ways.

To those Federation Board members who have completed their service on the board, I hope you will join me as Aggie Mom Ambassadors, members of your local Aggie Moms club, or Ring of Honor Aggie Moms and continue to participate in meaningful ways in service to Aggie Moms, Aggie students, and Texas A&M University.

Please email to corrsec@aggienetwork.com or call me at 832-746-7739 if you have questions.

Yours in all that is Aggie Momish,

Parliamentary Focus on Scholarships

Howdy Aggie Moms!

Please review your clubs' scholarship criteria and Scholarship Committee selection process to ensure Federation scholarship guidelines are being followed.

If your club offers a scholarship, it must publicly announce the scholarship criteria, application availability, and deadlines, by publishing information with impacted school financial aid officers, in the local paper (if available), on your club website, and on all club open and closed social media.

The clubs must accept applications from students in all areas/counties of which you have paid Members, including your Adopt A Moms, and your club member Moms who do not live in your service area. i.e. If your Aggie Moms Club has members with zip codes that fall in other counties then the scholarship requirements must be published in ALL of those counties, AND the club must accept ANY applications from those counties (not just children of member Moms) for consideration. You may NOT grant 'scholarship points' for meeting attendance or fundraiser hours worked. Scholarships must be EQUALLY OPEN TO ALL students in your club service area and member zip codes, not just members' children.

A member with an eligible student should not serve on the Selection Committee and should not review a pool of applicants of which their student is one. If possible, NAMES/identifiers of the applicants should be blacked out or redacted before distribution to the members of the Scholarship Committee with a non-personal identifier used.

Scholarships awarded by the Club shall include students attending Texas A&M - College Station, Texas A&M - Galveston, or Texas A&M – McAllen. In consultation with the Texas A&M Office of Financial Aid, It is no longer necessary to include Texas A&M Qatar in scholarship applications. Scholarships shall not discriminate on the basis of an individual's age, sex, color, creed and religion or national/ethnic origin.

Please contact your Federation Parliamentarian with specific questions.

Aggie Mom Camp Co-Chairs—Buzzing with Excitement

Howdy Aggie Moms!

Kristi and I wanted to extend a heartfelt thank you to each of you for choosing to attend Aggie Mom Camp 2022! We hope you enjoyed a fun-filled weekend making loads of memories with other Aggie Moms from around Texas and across the country. It was an honor and pleasure to serve as AMC Co-Chairs and give our time in planning this much needed Aggie Mom weekend after we had been apart for over two years due to COVID. By attending camp, we hope you made some new Aggie Mom friends, learned something new about Texas A&M that you might not have known and the weekend was a memorable one with tons of laughter.

We were truly blessed with the best counselors and staff who willingly pitched in at the drop of a hat to assist when and where needed. Y'all did a fantastic job making the campers feel welcome, many of whom were attending their first Aggie Mom Camp.

We were able to pull off the best surprise of the weekend with a special appearance by Coach Jimbo Fisher who spoke for the first time at an Aggie Mom event! Not only were we honored to have Coach Fisher speak but rounding out our guest speakers were Dr. R. Bowen Loftin '71' Jill Grimes '87, MD; Marty Holmes '87 with the Association of Former Students; James Bright from the RELLIS campus and Mr. James Olson, former CIA operative and now professor at the George Bush School of Government and Public Service. If you are looking for a speaker for your local club, consider reaching out to some of the speakers you heard during the weekend, especially these two TAMU student run organizations, 12th Can and the Traditions Council, to come and speak at your meetings. Also we thank the TAMU student organizations that came to entertain us, Aggie Wranglers, The Femmatas, Salsa Fusion and the Fish Drill Team. Please consider contacting one of these organizations to perform for one of your club events. Last but not least thank you to Miss Rev, the Yell Leaders, Trey Gonzalez '19 and our very own AMC Yell Leaders, Tamra Walker '89 and Diane Eckols!

Thank you for supporting our Boutique vendors by shopping their booths, but, also, visiting and shopping with several of our Federation donors who participated in the weekend. A special shout out to several donors - Texas A&M Hotel and Conference Center; Texas A&M Athletic Department; Bubblelloon; Events to Remember and Aggieland Outfitters - for their generous support and contributions to Aggie Mom Camp. If you can, please patronize our donors' businesses and thank them for supporting Aggie Moms and the Federation.

We couldn't let the weekend pass without an opportunity for Aggie Moms to stand ready and help the Aggie community. Aggie Moms are the best and donated 635 lbs of food for the 12th Can pantry with much of what was donated going directly to the shelves for distribution. In addition, 20 unused Painting with a Twist canvases were donated to a local school for kids to use who had never painted on canvas before. Thank you Moms for standing ready to help the Aggie community!

Our goal for the weekend was for everyone to have a relaxing, good time, making new friends and shopping til you dropped! Much laughter could be heard in the ballroom as we ended the weekend being entertained with our very own Aggie Mom Yell Leaders, the awesome skits during the Aggie Mom Follies and the Chicken Dance!

Remember - once an Aggie Mom, always an Aggie Mom! The sisterhood of Aggie Moms is a strong network of Moms standing ready to not only support our Aggie students but also to support each other!

Aggie Mom Camp 2023 is on the horizon and Kristi and I wish Amy Jo Fleshman, AMC Chair 2023, all the best! Thanks and Gig'em**!**

Electronic Information

I can't believe that my two years serving as the Electronic Info Chair are almost over. It is wonderful that many of your clubs now have @aggienetwork email addresses and websites.

From The Association, I have an update on the Google storage questions that many of you have had recently. Each club that already has @aggienetwork emails will keep them. If your club does not currently have an @aggienetwork email, you will be limited to 5 addresses per club. **I would suggest you apply for these prior to June 1, 2022**, because that way our new Aggie Mom App (COMING SOON) will perform better.

In addition, each email address, along with the associated Google Drive, will be limited to 10 GB of storage. So, check out how much storage you are currently using and delete info as needed. Questions? Please don't hesitate to ask me or check out the Tech Corner on our website-- www.aggieMoms.org; it's full of great information, like how to obtain an email/ website for your club, how to use Google Drive, etc.

I loved meeting so many new Aggie Mom friends at Aggie Mom Camp! I look forward to meeting more of you at our Spring Federation Meetings/Boutique.

We truly enjoyed having the privilege of meeting new Aggies and their families at the Federation's Resource Table during the Winter New Student Conferences (NSCs) in College Station and on the Galveston campus.

Just like during the Summer NSCs, Moms filled out forms expressing interest to be part of a local Club. If you are a Club President or Membership chair for your local Club, you may receive an email from us with names of Moms to contact. Please make sure you or your Membership representative follows up and contacts these Moms.

They are eagerly waiting to hear from you!

It has been a great semester so far and the end of the 2021-2022 school year is just around the corner. We will be welcoming the Class of 2026 and transfer students at NSCs in College Station starting May 24th, and on the Galveston campus starting June 1st.

Please visit each campus' NSC website for their complete NSC schedule as your Club gets ready for recruiting new members. This will be helpful if you would like to include the dates and information in any of your HOWDY Party invites or materials.
