Some member shop for the bags, snack, etc. Some members go to the MSC to hand out the bags.</p>
Caldwell County	<p>The Caldwell County Aggie Moms Club had 10 registered members for the 2024-25 year. Meetings were held monthly to review reports and discuss new business. A team building activity enjoyed by the members was to paint an Aggie welcome sign. Two successful fundraisers for the sole purpose of raising scholarship funds were held: a dine-to-donate night where a local restaurant shared a portion of the evenings' sales and a garage sale. At the end of fall and spring semesters, we sold finals goodie bags at cost, then assembled and distributed to students at the MSC. We opened scholarship applications for graduating high school seniors in November announcing on social media, targeted emails to all high school counselors in our club area, home school groups, local youth groups including 4-H, and the county AgriLife Extension office. Scholarship applications closed in March and the scholarship committee selected five recipients based on their application responses. Officers attended the recipients' senior awards nights to personally award the scholarships. Following the awards one recipient declined their scholarship due to receiving a financial offer to another university, so those funds will remain with the club to be awarded next year. We look forward to continuing to cheer on our current Aggies and award more scholarships in the spring of 2026 to incoming Aggies for the fall of 2026.</p>

At this Howdy Week event, a \$1200 scholarship was awarded to student Jillian Harnois through an open opportunity drawing.</p> <p>In our September club meeting via Zoom, we introduced our new board, and welcomed our new and continuing members. At this meeting, we brainstormed ideas for the school year for club activities, fundraisers, and meeting speakers. We also reviewed with club members the many various ways to stay connected with our club.</p> <p>Throughout the year, we continued to have Zoom meetings, alternating between Thursday evenings and Sunday evenings to provide greater opportunity for more members to participate. <p>Deep East Texas</p>	<p>We started out kind of slow this year with our Howdy party not being well attended. However, we had over 10 new moms at our September kickoff. Those moms have been involved all year and some are now board members. Yay! Our fundraisers were not as successful this year due to that board member not having the time to devote to the position. We did do a fall and spring Goody bag sale for members and non-members. We always look forward to those delivery dates and seeing our local Aggies. We got some bucket list items checked off at the Spring Goody bag distribution. We got to meet and pet the Queen of Aggieland. We also got to meet IG influencer Salami the Aggie. It was a great day. We hosted 12 Fires Winery at our February meeting and it was well received. The Aggie owned business gave back 12% of sales to our club (approximately \$75). With this being my first year as President, I attended our local A&M members club for Muster. It was an amazing and humbling experience to be a part of. Our End-of-the-Year Banquet, we were blessed to give away 4 scholarships at \$500 each. We awarded two to new Aggies and two to current Aggies. Though we are a small club we have big hearts and want to be able to provide more scholarships next year and participate in Boutique.</p>

Ellis County

The Ellis County Aggie Moms' Club has had a year full of resounding success, marked by enthusiastic member engagement, impactful fundraising, and continued support of Texas A&M students from our community. Through a combination of fellowship, service, and spirited traditions, our club has remained true to the mission of Aggie Moms everywhere—supporting students, sisterhood and building community.

We proudly began the 2024–2025 season with our annual Howdy Party, hosted at The Graily, a beautifully appointed, Aggie-owned venue. This family-friendly gathering was made even more memorable by a visit from the Aggie Yell Leaders. It was a perfect kick-off to a year that would be filled with camaraderie, connection, and a shared passion for all things Aggie. This year, we were delighted to welcome 25 new members, bringing our total membership to 105. We were excited to serve our new Aggie moms by hosting a New Aggie Mom social event in June 2024. This event came with high participation and a night of fellowship and an opportunity of new moms to ask questions about life at A&M. With a growing and engaged membership base, our club continues to thrive as a supportive network for Aggie Moms across Ellis County.

From September 2024 through May 2025, we hosted nine monthly socials, where members gathered to share a meal, exchange ideas, and work together on projects that benefit our students. These monthly meetings also served as hands-on service opportunities, including assembling Boo Boxes for Halloween, creating final exam packs, crafting boutique items, and celebrating holidays together.

Our exam pack program was especially successful this year. In the fall, we sold 150 exam packs, including 10 donated packs for students in need. Approximately 15 volunteers traveled to College Station to deliver the packs, while many more contributed items and support from home. In the spring, we distributed 115 exam packs, 6 of which were donated, with the help of 8 dedicated volunteers. These care packages are a cherished tradition and a

Kingwood/Humble Aggie Moms had a RECORD breaking year for 2024-2025! We ended the year with 226 members, our largest to date, and the club was recognized by the Federation for a 5% membership growth for the year! We were also presented with a 40th year Proclamation by the Federation at the Spring Meeting on Parent Weekend.

We enjoyed having our new and returning students attend our annual Howdy Party in July at Megaton Brewery (indoor facility), which featured the Yell Leaders who taught us cheers, mingled amongst the crowd and took photos with those in attendance. We recognized our freshman Scholarship recipients at Howdy Party, but our Endowed Scholarship winner was not known at the time.

Our General meetings this year included a mix of speakers as well as social activities and events. We had record attendance at our Kickoff meeting in September at the Revolution Volleyball Gym, collaborating with an Aggie owned company, Sauvignon John. Other speakers during the year included the University Health Services (focused on mental health/stress resources), Paul Pauskey from Former Students Career Services.

We planned a football watch party also at Megaton Brewery to watch the TAMU vs. Arkansas game in September. We incorporated a mini fundraiser/spirit night with Crust Pizza and Jeremiah's icecream to happen simultaneously at the venue. That event allowed families, Aggie Moms and Dads and students to meet and mingle. In October, we held our 40th Birthday Celebration as a birthday party at Los Cuco's and recognized our Past Presidents, Ring of Honor moms, and Federation board members/guests who helped us build our club for the past 40 years. Federation President Roxanne Forrest spoke at the event and congratulated our club on our success. For socials, we planned our annual Mudpie ornament painting party in late October. Then in November, we offered a Friendsgiving potluck to coincide with our Kendra Scott event, which we held at the First Pres Church of Kingwood. However, we needed to purchase a one-day insurance policy to comply with the rental agreement. We suggest finding a different location next year to save that expense. In February, our meeting fell during the week of Valentines Day. So we hosted a Galentine's Day Bunco social at El

Laredo	<p>Howdy! I am happy to share that we had an amazing 2024-2025! We started off the year with our annual Howdy in June, where we had a room full of incoming freshman Aggies and current students in attendance. We held our first fundraiser with the raffle of two of the Benjamin Knox prints which brought in all profit for our scholarships. Our next fundraiser was the sale of Vacanva portrait sessions. I was so proud of our Aggie moms for helping us sell 6 portrait sessions, which far exceeded my expectations. Next, our Club was one of the hosts for the District 11 meeting. Our District meeting was on a Sunday afternoon and we still had 23 of our moms in attendance. We then had 2 very successful spirit nights at Chipotle and then at Kendra Scott. In January, we attended the JJ Sanchez Memorial Mass where our Aggies returning to College Station receive a blessing from the priest. Also in January, a group of us attended the Federation's meeting and dinner honoring all the amazing donors. In February we were in high gear preparing for our biggest fundraiser, our annual golf tournament which is held in March. We had a great turn out with a record 34 teams of 3 golfers/team. In April we participated in Boutique where we sold many great items and met many great Aggie moms. I am so proud of our Aggie Moms' for all the support and dedication to our Aggies. I almost failed to mention that all our meetings were very well attended with 40-48 moms in attendance at our August through May meetings. It just goes to show the commitment our moms have to our club. We had an amazing year and I am so proud to have had the opportunity to lead such a great group of ladies. Thanks and Gig 'em!</p>

We try to have at least one member present at District and Federation meetings. We had 2 fundraisers this year. The first one was the Vancava Portrait fundraiser used for Scholarships. The second one was a "Write a Check Fundraiser" dedicated to raising funds for our HOWDY party Door Prizes, with any funds remaining going to our scholarship fund. We are well known for our Howdy party - great food, Yell Leaders, Door Prizes, Photos and more!</p>

<p>Medina County</p>	<p>Highlights and Updates</p> <p>*Aggie Mom 101 Event (August 6, 2024): We hosted our 2nd Annual Aggie Mom 101 event with 15 attendees. Current Aggie students were available to answer questions and share their experiences.</p> <p>*Golf Tournament Fundraiser Discontinued: We ended our partnership with the Medina County A&M Club due to their refusal to honor a previously agreed-upon 50/50 split of the funds raised. While MCAM provided silent auction items, volunteers, sponsors, and teams, the lack of equitable collaboration led to the decision to discontinue this joint effort.</p> <p>*Ring of Honor Mom Committee: A new Ring of Honor Mom committee was formed, led by Roxanne Forrest and Denise Faragoza. Denise graciously hosted a brunch at her home to welcome and celebrate ROH moms.</p> <p>*Vacanva Fundraiser: This was our first time participating. While turnout was modest, the experience gave us insight into how we can better promote and increase sales in the future.</p> <p>*Old Fashion Christmas: In our second year of participation, we had a great location. However, cold and rainy weather significantly impacted attendance and sales across all vendors, falling short of last year's results.</p> <p>*January Raffle: Successfully held to support our fundraising goals.</p> <p>*Aggie Mom Camp:</p>
<p>Mid-Atlantic</p>	<p>We were officially chartered as the Mid-Atlantic Aggie Moms (previously only Pennsylvania) so we could serve a broader area in the Northeast. We doubled our membership. We successfully completed our first fundraiser at our local Muster event.</p>

Mid-Jefferson County	<p>The Mid-Jefferson County Club started with a Howdy party at a local restaurant and were able to meet new Aggies and their parents. We were able to give prizes that were donated by businesses and former Aggies. Newly graduated Aggies spoke to new Aggies and answered questions. We registered new members and enjoy fellowship. Aggie moms meet once a month and celebrated with special November meeting and December meeting at members houses. In December we had an ornament exchange and a great meal. We start each meeting with Good Things for moms and move to Aggie Celebrations. We had about fifty four celebrations this year, I am sure more that were not shared. At each meeting we acknowledge mom's birthdays and even give them a fun Aggie pencil. We have an Aggie mom that attended Aggie mom's camp and had a wonderful time. We had an end of the year celebration/ meeting and inducted our new officers using the core values of Aggies. It was a fun night. The Scholarship committee gave three scholarships of \$905 each to the three students that applied and were qualified. We had about seven graduates this year from December to May. Each graduate received a paper weight. Overall a fun successful year.</p>
Midland	<p>The Midland Aggie Moms Club had a seamless year with moderate attendance and participation in all events. We tried to begin our 2024-25 year with a Howdy party for incoming freshman that sadly got canceled due to a classic Summer thunderstorm with tornado sightings. However, we made contact with many students and Moms who had indicated interest. We began the school year in September 2024 with our first meeting that saw interest among about 30 Aggie Moms who we encouraged to get involved, sign up to be on our Board and get involved with our fundraisers and Finals goodie bags. In October, the Midland Aggie Moms hosted a District 10 meeting with Linda Rodriguez on Oct 20 that was incidentally attended by ten people from surrounding areas. Linda left us all enthusiastic and returning to our home clubs with new ideas. In November, we had an Aggie Moms shopping night out and social. December required the most work as we prepared for the Singing Cadets we would be hosting on January 10 in Midland. Denise encouraged all to try to attend Aggie Mom Camp in Febuary. Our March 18 meeting reviewed many suggestions that might improve attendance and participation and we got names of potential officers for our 2025-26 year. We voted on our slate of officers at our April 15 meeting/social. In between meetings, our Board has met to discuss which fundraisers we anticipate for the coming year. Our May Board meeting saw us contributing less funds than we have in the past but still proud to sponsor 1 student scholarship and 15 Student organizations. In addition to hosting the Singing Cadets again in 2026, we hope to incorporate a "Gig my Yard" event beginning in August 2025. We have a full calendar of Club and Board meetings to look forward to and the future looks to be on solid footing.</p> <p>Denise Kelly President, Midland Aggie Moms</p>

Wilson County	<p>The Wilson County Aggie Moms Club was very active this year</p> <p>We held a meeting ever month. We had a Christmas gathering at Art Attack in Lavernia where we made wooden Aggies Howdy Signs.</p> <p>Our main fundraiser was a large raffle that we raised money for scholarships for Aggies in Wilson County. At the boutique we sold tickets and had our drawing.</p> <p>The scholarships will be given before the next school year.</p>
